

Privacy Policy

KeyWarden takes your privacy seriously. Please read the following to learn more about our privacy policy.

This Privacy Policy covers KeyWarden's treatment of personally identifiable information that it collects when you are on the KeyWarden site.

Information Collection and Use

KeyWarden collects personally identifiable information from individuals who provide it voluntarily and knowingly by signing up for mailing lists, filling out forms, etc... This information is used to fulfill your requests for certain products and services, and to contact you about specials, news, and new products.

KeyWarden also automatically receives and records information on its server logs from your browser including your IP address, KeyWarden cookie information and the page you requested. We combine this information with similar information collected about all other visitors. By collecting this information, we learn how to best tailor our website to our visitors.

Information Sharing and Disclosure

- KeyWarden will not sell or rent your personally identifiable information to anyone.
- KeyWarden may send personally identifiable information about you to other companies or people when:
 - We have your consent to share the information;
 - We need to share your information to provide the product or service you have requested;
 - We need to send the information to companies who work on behalf of KeyWarden to provide a product or service to you. (Unless we tell you differently, these companies do not have any right to use the personally identifiable information we provide to them beyond what is necessary to assist us.)
 - We respond to subpoenas, court orders or legal process; or
 - We believe in good faith that it is necessary to prevent a crime or an injury to ourselves or third parties

Cookies

KeyWarden may set and access KeyWarden cookies on your computer.

Your Ability to delete your entry from the mailing list

KeyWarden gives you the ability to delete your entry from its mailing list at any time on its web site.

Security

In certain areas KeyWarden uses industry-standard SSL-encryption to protect data transmissions.

Changes to this Privacy Policy

KeyWarden may amend this policy from time to time. If we make any substantial changes in the way we use your personal information we will notify you by posting a prominent announcement on our pages
